Volume II "Prophets"

This edition uses three modified Bibles (Webster, Darby and Young's) arranged in the order that would have been used in the first century. The three Bibles are placed in ascending literal order, followed by the LXX or Stephanos Greek. Also, please note that there are areas for personal notation about the meaning of Scripture: Its Literal meaning, its Spiritual meaning and its Practical meaning. The Word of God has always been more than just words on a page, it is the message of our Creator and therefore meant to impact EVERY ASPECT of our lives. I hope it will do just that for everyone.
